- Please include Scripture references that speak to or against ideas in the chapter.
- You do not need to answer the discussion questions for the chapter(s) you are presenting.

  - Present and interact with the main points from the chapter assigned. (Do not stand and read from the book.)
  - Communicate an understanding of what you are presenting

- Use eye contact and body language that conveys what you are trying to communicate.
- Each member of your group must participate in presenting the topic.
- You will have up to 25 minutes, you must use a minimum of 10 minutes. Your time can include class interaction and discussion.
